# Luduan Assistant's Feedback on Language Proficiency

Disclaimer: Luduan Assistant's grading is provisional. Your final grade will be determined by your professor.

1. Grade: 4 Very good: The communicative task is mostly achieved, with minor grammatical/lexical errors that do not impede comprehension. 2. Grammatical errors: The user's sentence "慢的一点儿" should be "慢一点儿" to be grammatically correct. The phrase "说的不得了" is slightly awkward in this context. A more suitable expression would be "美得不得了" or "美极了" to describe the scenery. 3. Improved responses: - "对啊但是你爬山太快慢的一点儿" could be improved to "对啊但是你爬得太快了慢一点儿吧" This corrects the grammatical structure and adds a polite suggestion with "吧." - "我要跟这个大山旁边拍照我觉得这个自然的景象优美说的不得了" could be improved to "我想在这座大山旁边拍照我觉得这儿的自然景色美极了" This provides a more natural expression for describing the beauty of the scenery. 4. Sociopragmatic knowledge and utterance appropriateness: The user demonstrates a good understanding of sociopragmatic norms in Chinese, using polite expressions and showing appreciation for the friend's help. The level of directness is appropriate for the context, as friends typically communicate directly but politely in such informal settings. 5. Cultural notes: In Chinese culture, taking photos together is a common way to capture memories and show camaraderie, especially during outings like hiking. The use of "茄子" (meaning "cheese") is a cultural equivalent to the English "say cheese" when taking photos, which is a nice touch in maintaining cultural authenticity.

1. 评分4 非常好交际任务基本完成存在轻微的语法/词汇错误但不影响理解  
2. 语法错误用户的句子慢的一点儿应为慢一点儿才是语法正确的说的不得了在此语境中稍显生硬更合适的表达是美得不得了或美极了来形容景色  
3. 改进的回答 - 对啊但是你爬山太快慢的一点儿可以改为对啊但是你爬得太快了慢一点儿吧这样纠正了语法结构并用吧增加了礼貌建议 - 我要跟这个大山旁边拍照我觉得这个自然的景象优美说的不得了可以改为我想在这座大山旁边拍照我觉得这儿的自然景色美极了这样对景色的美进行了更自然的表达  
4. 社会语用知识和话语适切性用户表现出对中文社会语用规范的良好理解使用礼貌表达并对朋友的帮助表示感谢直接性的程度适合语境因为朋友间在这种非正式环境中通常直接但礼貌地交流  
5. 文化注释在中国文化中合影是捕捉回忆和展示友谊的常见方式尤其是在徒步旅行这样的外出活动中茄子的使用是拍照时说cheese的文化等价物保持了文化的真实性
